

I won't back down

This is the life

Oh my love

Über den Wolken

Über 7 Brücken

Move in the right direction

Thinking out loud

Whisky in the jar

Shut up and dance with me

Hot'n'cold

Something in the water

Johnny Walker

Willenlos

Das Kompliment

If a song could get me you

Love me like you do

Buffalo soldier

Mighty Quinn

Like the way I do

Ironic

Ring of fire

No, no never

Seasons in the sun

Free Fallin'

A night like this

Those were the days

What's up

Snow

Angel

Let it rain

Sieben Tage lang

Fürstenfeld

Du entschuldige, I kenn di

Aloah Hey

Hulapalu

Westerland

Proud Mary

Bad moon rising

Jailhouse rock

The time warp

Walking on sunshine

Zombie

Let it be

Stand by me

Irgendwann bleib i dann dort

So schön war die Zeit
