

I won't back down

This is the life

Oh my love

Über den Wolken

Über 7 Brücken

Move in the right direction

Thinking out loud

Whisky in the jar

Shut up and dance with me

Hot'n'cold

Something in the water

Johnny Walker

Willenlos

Das Kompliment

If a song could get me you

Shallow

Mighty Quinn

Like the way I do

Ironic

Ring of fire

No, no never

Seasons in the sun

Free Fallin'

A night like this

Those were the days

What's up

Snow

Angel

Let it rain

Always look on the bright side of life

Sieben Tage lang

Fürstenfeld

Schi foahn

Du entschuldige, I kenn di

Aloah Hey

Hulapalu

Westerland

Zruck zu Dir

Proud Mary

Bad moon rising

Jailhouse rock

The time warp

Walking on sunshine

Zombie

Let it be

Stand by me

Irgendwann bleib i dann dort

So schön war die Zeit
